

GOVERNMENT COLLEGE OF ENGINEERING BARGUR

VAAGAI '26 PRESENTS

ANSYS

Simulation

"PRIZE POOL"

1ST 3000

2ND 2000

3RD 1000

ENTRY FEE :

• 200 PER HEAD

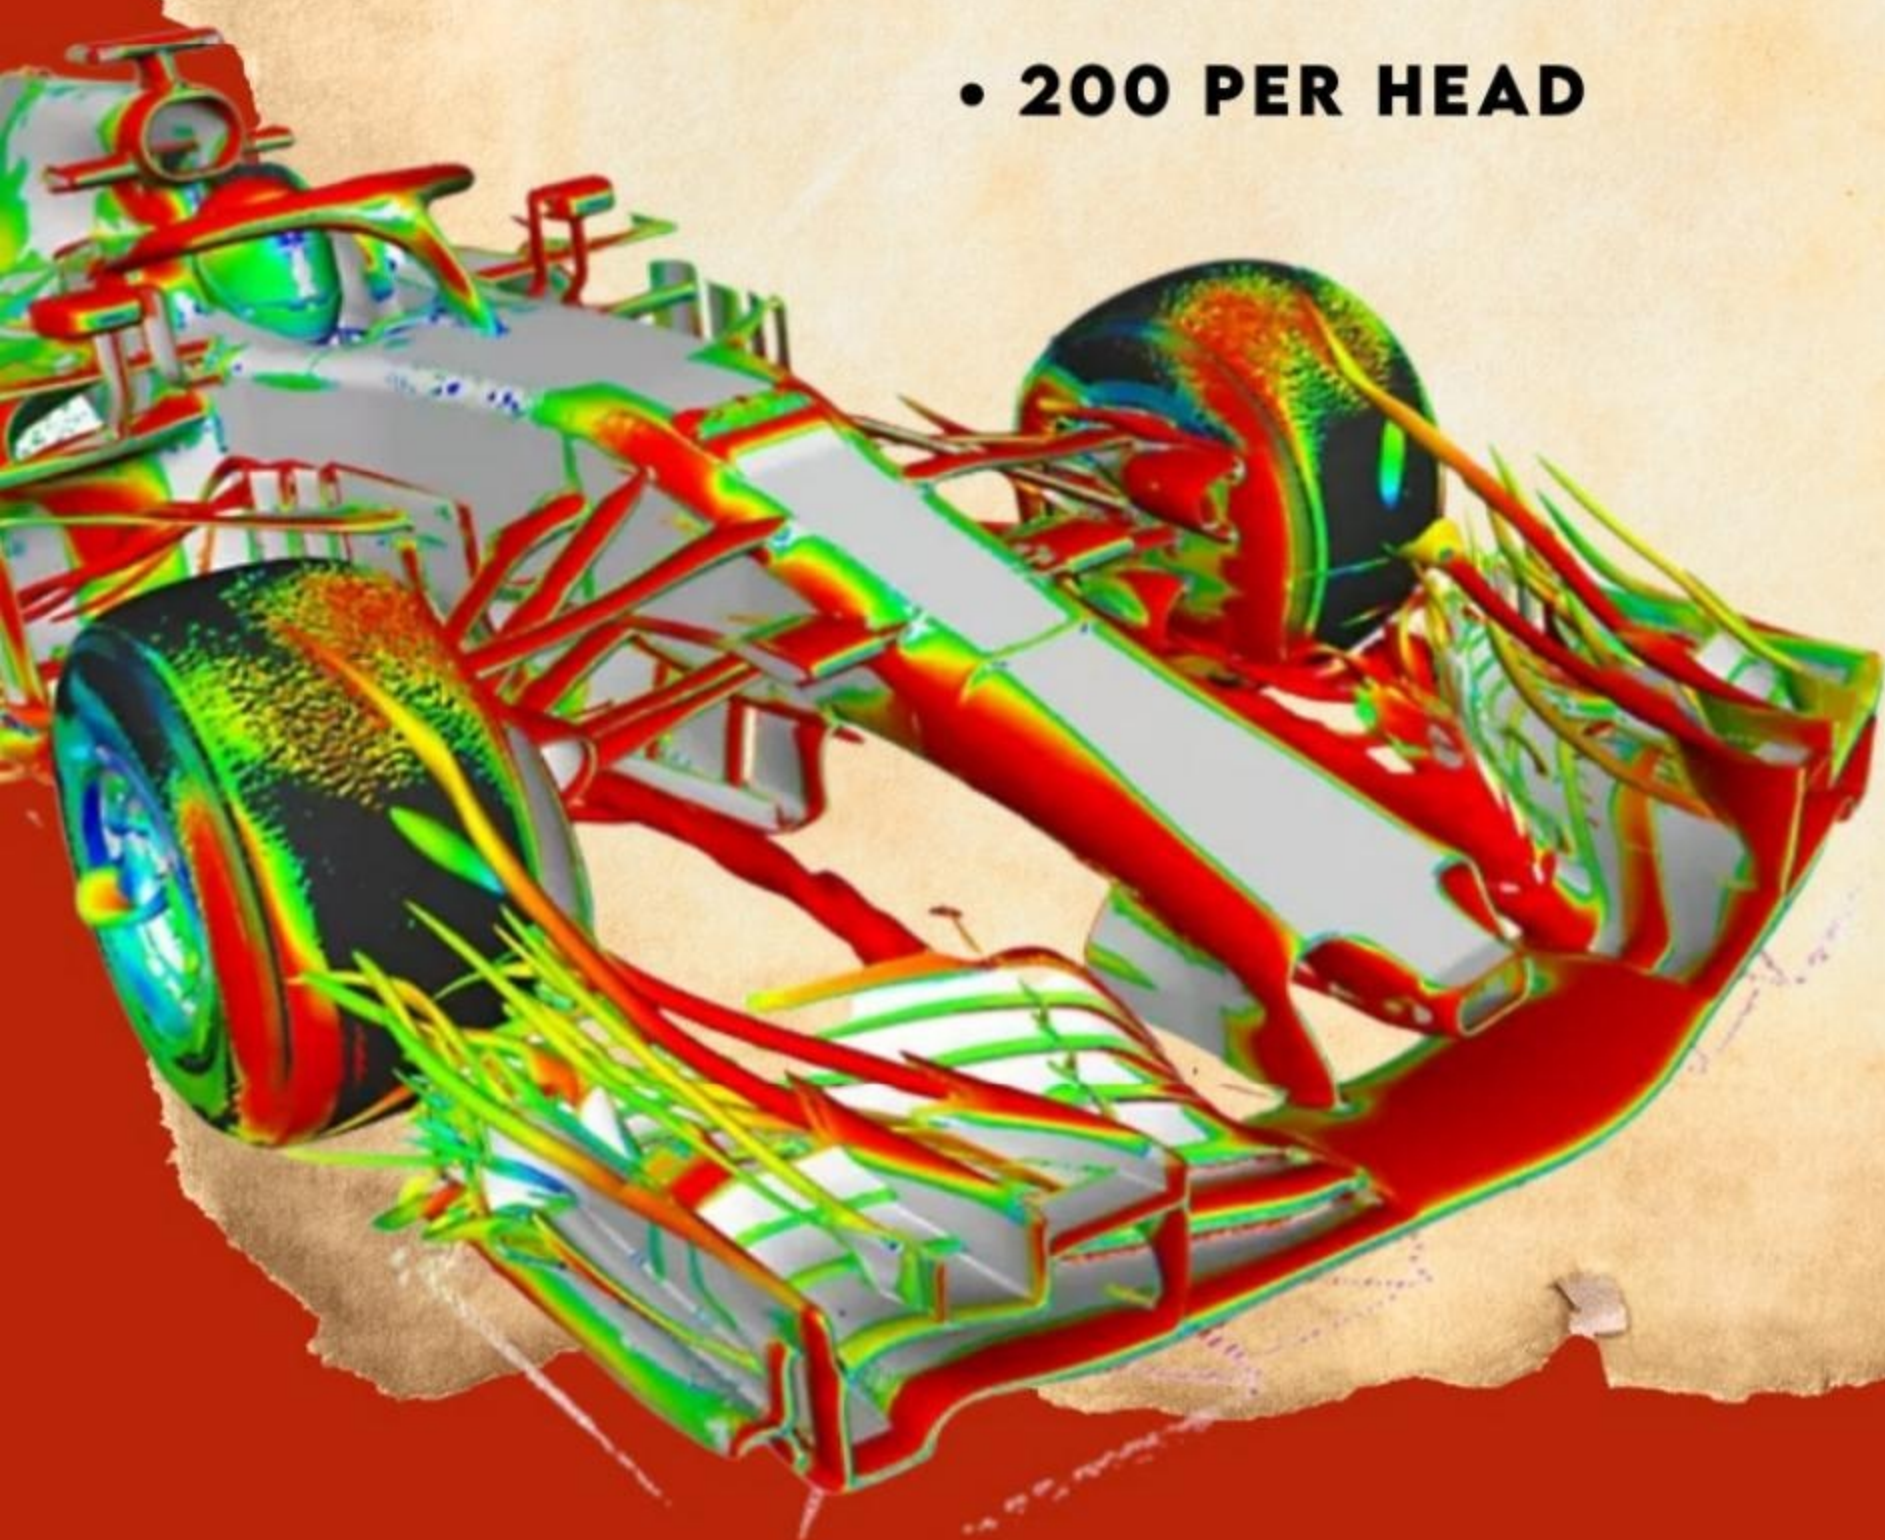

REGISTER & INFO

17TH SEP 2026

MECHANICAL

Dept.

ANSYS

Simulation

Solve a given engineering problem using ANSYS — testing modelling, meshing, boundary conditions, and result interpretation skills.

DATE
17-09-2026

VENUE
CAD Lab

FEE
₹200 per head

RULES & REGULATIONS

- ▶ Individual participation only
- ▶ ANSYS Workbench / Fluent will be provided at the venue
- ▶ Problem statement given on the spot — pre-prepared files are not allowed
- ▶ Must be completed and submitted within the given time
- ▶ Participants must work independently — no unauthorized assistance

JUDGING CRITERIA

- ▶ Simulation setup: geometry, material properties, mesh, boundary conditions
- ▶ Technical accuracy and result interpretation
- ▶ Problem-solving approach and time management

PRIZE POOL

1ST
₹3000

2ND
₹2000

3RD
₹1000
