

GOVERNMENT COLLEGE OF ENGINEERING BARGUR

VAAGAI '26 PRESENTS

CAD MODELLING

"PRIZE POOL"

1ST 3000
2ND 2000
3RD 1000

ENTRY FEE :

• 200 FOR SOLO

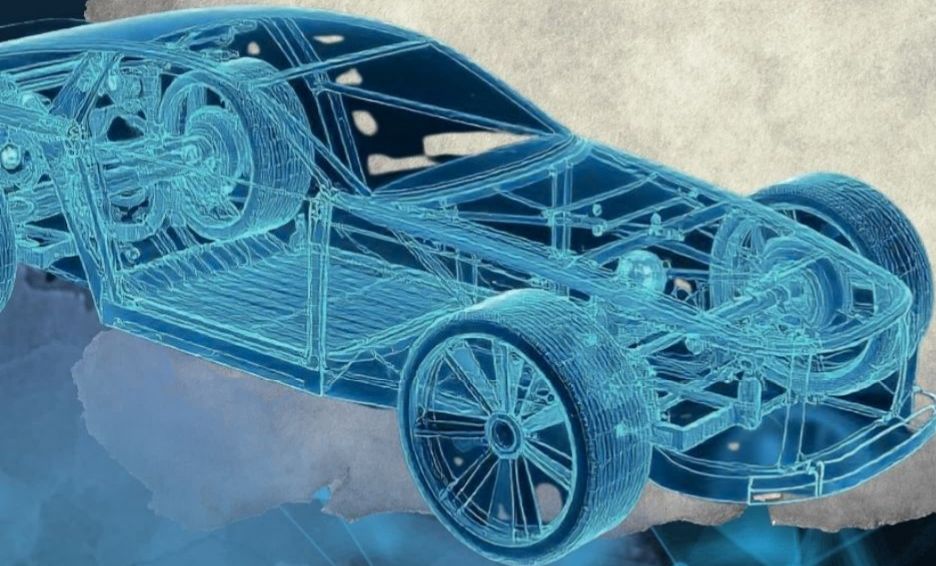

REGISTER & INFO

17TH SEP 2026

MECHANICAL

Dept

CAD

Modelling

Showcase your CAD modelling skills in this individual design challenge. Participants are given a mechanical component/drawing and must recreate it accurately within the given time – testing precision, modelling skill, design understanding, and time management.

DATE
17-09-2026

VENUE
CAD Lab

FEE
₹200 (individual)

RULES & REGULATIONS

- ▶ Individual participation only
- ▶ Total event duration is 1 hour 30 minutes (90 minutes)
- ▶ Participants must model the given component/design within the allotted time
- ▶ CATIA and SOLIDWORKS are the permitted software
- ▶ To use any other software, inform the event coordinators prior to the event
- ▶ Electronic gadgets are strictly prohibited
- ▶ Any malpractice or unfair assistance leads to disqualification
- ▶ If not completed in time, the design at the end of the time limit is taken for evaluation

JUDGING CRITERIA

- ▶ Mass properties: accuracy of computed volume, mass, and CG vs. the reference component
- ▶ Dimensional accuracy: how closely modelled dimensions match the given drawing
- ▶ Model geometry: correctness of overall shape and form as per the design
- ▶ Feature accuracy: proper use of features (extrudes, fillets, patterns, etc.)
- ▶ Model completion: percentage of the model finished within the given time

PRIZE POOL

1ST
₹3000

2ND
₹2000

3RD
₹1000
